Case 13-WH-256609

METROPOLITAN ALLIANCE OF POLICE

Petitioner

**CERTIFICATION OF REPRESENTATIVE AS BONA FIDE
UNDER SECTION 7(b) OF THE FAIR LABOR STANDARDS ACT OF 1938**

On February 19, 2020, the Metropolitan Alliance of Police (the Petitioner) filed with the Regional Director for Region 13 of the National Labor Relations Board a request for certification of representative as bona fide under Section 7(b) of the Fair Labor Standards Act of 1938 (FLSA), 29 U.S.C. § 207(b).

On February 25, 2020, the Regional Director for Region 13 served on the parties a Notice to Show Cause why the Board should not grant the request. No response was filed. As the Region's investigation revealed that the Petitioner is the recognized exclusive collective-bargaining representative of the unit employees, the Regional Director recommended to the Board that the requested certification be issued.

No party having shown cause why the requested certification should not be issued, the National Labor Relations Board certifies that the Metropolitan Alliance of

Police is a bona fide representative, for purposes of Section 7(b) of the FLSA, of the employees of the Village of Wheeling in the following unit:¹

Included: All regular full-time employees of the Village of Wheeling in the following titles: Community Service Officer; Dispatcher; Record Clerk. All regular part-time (over 20 hours per week) employees of the Village of Wheeling in the following title: Dispatcher.

Excluded: All confidential, managerial, professional, administrative and supervisory employees as defined by the Act, and all other employees in the Village of Wheeling.

Dated, Washington, D.C., April 10, 2020.

By direction of the Board:

Roxanne Rothschild

Executive Secretary

¹ A certificate of representative as bona fide for purposes of the FLSA does not necessarily establish the certified organization's right to be recognized as the exclusive bargaining representative under the provisions of the National Labor Relations Act. See *County of Alameda*, 322 NLRB 614 (1996).
